

LESSON POLICIES

- **Rates**

Lessons are \$90/mo. This fee covers 4 lessons. Should a 5th week occur in the month, the lesson is free. Please inquire about special family rates. Lessons are provided during a weekly scheduled time lasting 30 minutes each. A fuel surcharge may apply.

Payments may be made at the beginning of the month or per lesson. However, if you choose the pay on a weekly basis, the 5th lesson of the month will not be free.

- **Cancellation Policy**

24 hours notice must be given for the lesson payment to be waived or refunded. Refunds due to student absence will apply the following month. Should a student know in advance of being gone part of the month, up to 50% will be deducted from payment if make-up(s) cannot be scheduled. Should 24 hours notice not be given, no refund shall apply. Every effort will be made by me to provide a make-up lesson. No refund will be given should 1 lesson be missed during a 5 lesson month. Missed lessons due to instructor absence will always be refunded in full if a make-up cannot be scheduled.

Lateness for a scheduled lesson on the part of the student will not necessarily be made up at the end of said lesson.
